Wednesday October 14 Twilight Shoot 5:30 to 7:30 pm	Saturday October 17 IDPA Classifier Starts 9 am
Sunday October 11 IDPA Classifier BBQ, Awards and The Fun Shoot		To make it convenient for all members to shoot in the monthly matches we will hold the same match three times over the weekend as follows. Saturday Afternoon: No match fees if the shooter is on site no later than 9:30 am and does his/her share in helping set up the props. \$10 match fee if not able to help with set up. Sunday Morning: Match Fee \$10. Sunday Afternoon: Match fee \$5 if shooter stays and helps take down and store props.			

The "New Shooter" safety class is mandatory. Many of you will only need a little refresher as you have gone through the CCW classes in the past few months. Others may require a few hours of training.

Sunday, March 1 is the day to get that safety training.

March 14th & 15th the club will be sponsoring an **NRA Basic Pistol Shooting Instructor's Course**. Using money that the club received from the CCW classes we will pay for the following Safety Officers to attend, Don Miller, Don Hooper, Peter Matlin, Darrell Godwin, Ken Dexter, Edward Davis Jr, Jerry Beaty, Charlie Hand and Dick Whetstone. These are the Instructors and Safety Officers who have been teaching the CCW classes. If any one else wishes to attend you can sign up on the instructor's web page. (www.safetycerts.com) Your cost will be \$185.

Also note on the schedule the monthly "Twilight Shoots". These will be held the Wednesday evening before the Match weekends.

This match and fee schedule are designed to do two things.

One – make it easier for you to make the matches by only requiring one half day commitment

Two – to encourage shooters to get involved with designing and setting up the stages. If the above schedule proves to not work out we will modify.

Don Hooper, President
